ANNUAL HIGH POINT AWARD

The aim of these awards is to encourage all members, regardless of their chosen discipline, to make the most of the partnership they have with their Clydie Cross. These versatile horses excel in such a wide variety of equestrian applications and we hope that the Annual High Point Award will help you to celebrate your achievements – no matter how big or how small.

Over a 12 month period Clydie Cross owners will be able to log attendance / competition points and compete to be the High Point winner of their chosen category. The cost to enter is $10 for each category selected. There is no limit to the number of categories you can enter.

Points are awarded based on both the competitor's placing and the number of horses in the class. All points must be validated by a steward, judge or the event organiser on the day of competition and recorded on the official CCSHA score card.

All members who enter the High Point award will also be eligible for some great bonus categories. We will be offering a special High Point Award for those 18 years of age, we will be showcasing the next generation of Clydie Crosses by offering a Young Stock of the Year award, plus lots more.

The Annual High Point Award is open to all financial members of the CCSHA and their registered horses. The point accumulation period runs between the July 1st and June 30th the following year. Score cards must be submitted no later than the 10th July and awards will be presented at the CCSHA Annual General Meeting.
