HOW A COMPLAINT CAN BE MADE

Members and / or interested parties may make a complaint in one (or more) of the following ways:

NOTES: Anonymous complaints will not be accepted. While the CCSHA acknowledge a member's preference to remain unidentified, anonymous complaints prevent us from confirming the alleged details and performing a thorough and fair investigation

INFORMATION REQUIRED

When we are investigating a complaint, the CCSHA Committee will be relying on information provided by the complainant, as well as information we may already have on hand. We may need to contact persons involved to clarify details or request additional information where necessary. To help us investigate complaints quickly and efficiently, we require the following information:

- The name, member number and contact details of the complainant
- The date and location that the incident occurred
- The nature of the complaint
- The name of any persons involved in the incident / grievance
- Details of any steps already taken to resolve the complaint
- Details of conversations you have had with a CCSHA Representative that may be relevant to the complaint
- Copies of any documentation / evidence which supports the complaint

RECEIVING COMPLAINTS

The CCSHA is committed to resolving issues and all complaints will be treated confidentiality and with respect. You will receive written confirmation that your complaint has been received within three (3) business days and all investigations will be co-ordinated by the CCSHA President. In the event that the complaint involves the CCSHA President, the Vice President will be appointed to manage the investigation.

While we endeavour to reach an outcome to all complaints as soon as possible, it is essential that all grievances be investigated thoroughly and all relevant parties have the opportunity to provide their point of view.

As a general rule, CCSHA Committee Meetings are held every 6 – 8 weeks. This may also contribute to delays in the dispute resolution process as information may need to be tabled at meetings and / or the Committee may be required to vote on the appropriate action required.

If a member of the Executive Committee or a minimum of four (4) general Committee Members deems that the complaint needs to be addressed urgently:

1. An additional Committee Meeting may be scheduled OR
2. The date of the next meeting moved forward.

As per the Model Rules, notice of such meetings will be sent out no less than seven (7) days prior to the meeting date.

To ensure that all parties involved in the complaint are informed about the progress of the investigation, the CCSHA Secretary or President will provide regular written updates.
