## **STATEMENT OF PURPOSE**

---

On the 10th December 2004, the inaugural meeting of the first society dedicated solely to the Clydesdale Cross, took place. A committee was formed and on the 14th December 2004, the Clydesdale Cross Sport Horse Association was officially incorporated under Victorian legislation (Australia).

The vision for the society grew out of informal discussions on the web forum of the Horse Rider's Clubs Association Victoria (HRC AV). It became clear to users on this forum that many people were riding Clydesdale Cross horses and that they were valued by their owners for their wonderful temperaments, athleticism and hardiness. The previous President of the Association, Adrian McMillan, suggested that interested parties come together to form a society to promote this fantastic breed in Australia.
