APPLICATION TO UPGRADE FROM SPORT HORSE TO STUD BOOK REGISTRATION

Owners of Clydesdale Crosses may apply to have their Filly / Mare and / or their Colt / Stallion's registration, upgraded from the Sport Horse Registry to the Stud Book Registry, once the registration requirements have been satisfied and / or the owner wishes to use the horse for breeding purposes.

If you would like to have your horse upgraded but have found that it does NOT meet the criteria below, you may be eligible to apply for an upgrade under *Special Merit*. In these circumstances, please complete the alternative application form.

In order to be eligible for upgrade, the horse must be owned by a current financial CCSHA member, appear on the Sport Horse Registry and must meet **at least ONE** of the following criteria;

1. Mares and Stallions must have at least 25% Clydesdale in their pedigree (i.e. at least one grandsire or granddam is a REGISTERED Clydesdale). Certificate of registration must be provided
2. Mares and Stallions must be a minimum of a first cross progeny of a Studbook Mare and Stallion (i.e. EITHER the sire or dam or BOTH are registered in the CCSHA Studbook)
3. Mares and Stallions that are the progeny of registered Clydesdale Cross Sport Horses (i.e. BOTH sire and dam are registered in the CCSHA Sport Horse Register)

In order to be eligible for upgrade, horses must also be branded OR microchipped.

- The CCSHA does not currently supply its own microchips for implantation, so only microchips registered with another Association or Regulatory Body (e.g. Equestrian Australia), will be accepted. Proof of microchip implantation must be provided
- All brands will be accepted. Due to differing rules for brand registration between States, brands cannot be reserved

The fee for upgrading from the Sport Horse Register to the Stud Book Register is \$40.00
