

Clydesdale Cross Sport Horse Association

2023 ANNUAL SHOW

Date: 25th and 26th March 2023
Venue: Tonimbuk Equestrian Centre
370 Sanders Rd, Bunyip North, VIC, 3815
Start Time: 9:00 am

The CCSHA invites all Clydesdale Cross Sport Horse members to take part in our 2023 Annual Show. The CCSHA Annual Show is two fun filled days of celebrating the versatility and diversity of the Clydesdale Cross. Plaiting, jackets and feather are optional. Feel free to go all out in your turnout gear or bring your horse with mane, tail and feather flying.

This is a fantastic opportunity to get out and about with your Clydie Cross, so why not come along, join in the FUN and make a weekend of it! Catering will be available for most meals; and camping and stabling are offered at very reasonable rates.

This year we have made changes to our program, with Amateur ridden and Walk Trot classes and the inclusion of young stock in our Led High Point Award. It is a great time to show off your Clydie Crosses, introduce your babies to the show world and challenge your training skills in the long reining classes and versatility course.

You don't need to be an experienced show handler or rider to attend. This event is perfect for those starting out or getting back into the show scene. The atmosphere is relaxed, friendly and supportive and there will be plenty of help available on the day. If you need advice or assistance prior to the event (e.g. entries, equipment required, what to wear, how to present your horse, etc.), our CCHSA Team will be more than happy to support you.

Ribbons will be awarded to 6th place depending on the size/popularity of the class and special merit prizes will be awarded by Judges and Club officials. High Point Awards are calculated for each horse and rider combination and will be awarded at the end of each day.

Competitors **MUST** be current financial members (full or associate) of the CCSHA and horses **MUST** be registered in either the adult / permanent registers or recorded as foals. **You MUST supply a copy of your membership card and horse's registration certificate with your entries. Entries will not be accepted without the required proof.**

Entries are charged at \$7.00 per class, plus a \$10 Facility Fee per horse.

Show Passes also available.

Show Passes entitle competitors to enter ONE (1) horse in an unlimited number of classes for a set fee.

1 Day Show Pass \$65

2 Day Show Pass \$100

Entries are welcomed until 10pm on Sunday 19th March → NO ENTRIES ON THE DAY

If riders / handlers are competing more than one horse, they must ensure that they swap numbers as they swap mounts. To avoid confusion, we recommend that you display your number on your horse, rather than the rider / handler.
- All ridden mounts must be bitted, no bitless bridles or halters will be allowed in the ridden classes. This is for insurance reasons.
- No horses under the age of 3 years will be allowed to be ridden, however you are welcome to participate in the Young Stock and Long Rein classes.

- Colts / stallions must be under effective control AT ALL TIMES. Any colt / stallion that presents a danger to other horses or people, will be disqualified from the Event and may be asked to leave the premises.
- All stallions must be suitably restrained while at floats. They may be double tied (with a suitable headstall, neck collar and 2 lead ropes), hobbled and tied up or contained in a stable.

- Young Stock that are deemed to be risk to other exhibits or exhibitors will be asked to leave the arena and no refund on entries will be provided.

Light Vs Heavy Weight

The following information is designed to assist you to select the most appropriate classes for you and your horse to compete in. The CCHSA has a very diverse range of horses in our registries – from light weight sporting crosses with a low percentage of Clydesdale heritage, to heavy weight draught types with high percentages of Clydesdale heritage. We accept the progeny of heavy breeds crossed with performance breeds, heavy breeds crossed with other heavy breeds, and Clydesdale crosses with unknown heritage.

When designing this program, the CCSHA Committee fully acknowledge that horses will not always fit perfectly into the 2 categories. Some horses that have a low percentage of Clydesdale in their breeding LOOK like they have more, and the opposite is also true. With that said, we ask that you select the classes that is MOST suited to your horse.

Here are some examples of horses suitable for the lightweight (open type) classes:

Here are some examples of horses suitable for the heavy weight (Hunter type) classes:

If you are not sure where your horse best fits, we ask that you consider the following:

- What is the horse's breeding?
 - Does it contain light weight breeds (Thoroughbred) that make it more suited to the lightweight ring?
 - Does it contain any other heavy breeds that make it more suited to the heavy ring?
- Is the horse a typical example of its breeding? For example: Some ¼ Clydesdales are very heavily boned, whereas some ½ Clydesdales are not
- What activities is your horse most suited for? Is it better suited to performance disciplines or harness type activities?
- What ring gives yourself and others the best opportunities?

HIGH POINT AWARD RULES

As a competitor in our Annual Show you will be eligible to take part in the CCSHA's High Point Award. Members accrue points on each day of competition and the highest point scorer on each day will be awarded a beautiful garland, sash and embroidered rug. The runner up each day will also be awarded a sash and embroidered saddle cloth.

Please make yourself familiar with the following rules and if you have any questions, please contact the Event Secretary.

- Long reining and versatility classes DO contribute toward a competitor's points tally
- While the program only permit competitors to enter ONE class per section, if a person accidentally competed in more than one class, the SECOND class would NOT contribute toward their points tally

High Point scores will be tallied by the Event Secretary or an official CCSHA representative. Competitors are not required to record their own points; these will be taken from the results sheets completed by Ring stewards and entered into a spreadsheet.

Once results have been submitted to the office, a panel consisting of a minimum of at least 1 General Committee Members and at least 1 Executive Committee Member will record and tally the points. Points will be allocated according to the placings listed against each class, totals will be calculated, and details checked by a minimum of one member of the panel.

Once each competitor's total points have been added up, competitors will be placed in order (highest to lowest) and the horses/competitors with the **five highest scores** will be identified. The top 5 horses will then be double checked against the results sheets by the panel members. The panel members are NOT permitted to verify their own points or that of a family member. Once all High Point results have been verified, the High Point Award and the runner up will be presented.

At the end of Day 1, all competitors and their scores will be listed in order and available for members to view.

High Point results from Day 2 will be processed in the same manner as listed above,

Only 1 competitor can be awarded the High Point or Runner Up High Point award. In the event that there is more than 1 competitor on equal points, a count back will take place according to the following criteria: The person that has been awarded the most Champions will be declared the winner.

1. In the event that both competitors have been awarded an equal number of Champions, the person that has been awarded the most first place ribbons will be declared the winner.
2. In the event that both competitors have been awarded an equal number of first place ribbons, the person that has been awarded the most second place ribbons will be declared the winner (and so on until a winner is determined).
